To
The Principal
Sonopant Dandekar College,
Palghar.

Subject: Regarding permission for conducting a Tree plantation program.

Respected Sir,

Concerning the above subject, Nowadays Pollution is a serious issue that directly or indirectly affects the environment, and to create awareness about the importance of Trees which help to increase the greenery and to reduce polluted environment. Our college DLLE unit wants to organize a “Tree plantation program” for all DLLE students enrolled for the year 2022-23 on 17/08/2022 at 8.35 am in the college campus.

Kindly permit us to conduct the program.

Thanking you,

Yours faithfully,

Extension Teacher,
DLLE, Palghar Unit.

Department of Lifelong Learning and Extension

Date: 12/08/2022

TREE PLANTATION

To help participants critically evaluate how well tree plantation efforts address environmental and social issues, the Department of Lifelong Learning & Extension organized a tree planting activity. Participants were asked to consider factors such as long-term sustainability, species diversity land use planning, maintenance, and community engagement.

❖ Objectives:

- To Involve young learners in environmental efforts by actively participating in tree plantation, young learners become engaged in efforts to protect and enhance the environment.
- Planting trees connects students with the natural world, emphasizing that their hard work contributes positively to the planet.

❖ Outcomes:

- Planting trees not only provides oxygen for the survival of human beings but also to millions of billions of lives depend upon it.
- It helps tackle environmental issues.
- Rejuvenating the Earth.

Extension Teacher,
DLLE, Palghar Unit.

ACTIVITY REPORT

Name of the Activity – Tree plantation

Date – 17/8/2022

Time- 8.35 a.m.

No. of Students Participated –37 (Boys: 17 & Girls: 20)

About the Activity–

DLLE students of the college gathered on the college campus area, in the presence of DLLE teachers participating students planted the trees. For the program, 37 students participated and made the program successful.

Activity Objectives –

Through tree plantation drives, colleges sensitize the students about the vital role played by the trees in our lives. This awareness fosters a sense of responsibility towards the environment. Tree planting contributes to environmental conservation and helps combat deforestation. By planting trees, colleges beautify their campuses, creating a pleasant and inviting atmosphere. Trees provide shade, reduce noise, and enhance the overall learning experience for students and faculty.

Activity Outcomes –

College students become more aware of environmental issues, including deforestation, climate change, and the importance of tree conservation. Participating in tree planting provides practical knowledge about soil, seedlings, and proper planting techniques. Tree plantation contributes to biodiversity by creating habitats for various species of birds, insects, and other wildlife. As trees grow, they absorb carbon dioxide and release oxygen, improving air quality on campus.
