TREE PLANTATION ON THE OCCASION OF WORLD ENVIRONMENT DAY

OBJECTIVES OF THE PRACTICE

- To inculcate a sense of responsibility towards environmental protection.
- To make aware people of the vital role of citizens in protecting the environment.

THE CONTEXT

8 Mah Girls Bn gave an activity of tree plantation on the occasion of World Environment Day.

THE PRACTICE

Trees play a vital role in maintaining the ecological balance of the planet by providing oxygen, absorbing carbon dioxide, regulating the water cycle, and providing habitat for wildlife. Trees play an essential role in soil conservation by preventing soil erosion, retaining moisture, and improving soil fertility. Tree plantation is a crucial activity that can have numerous benefits, including environmental conservation, climate change mitigation, soil conservation, and economic and social development.

Cadets carefully planted saplings ensuring that the roots are spreading in the hole and are covered with soil. They planted saplings in their surroundings keeping in mind the COVID protocols.

OUTCOMES

- To engage members of the community through collaborative efforts Tree planting can be a collaborative effort toward a goal

GLIMPSE OF THE EVENT

DIGGING THE GROUND FOR PLANTING TREES.
